[Verse]

    G

You tower over me—no, wait…

that sounds sort of sinister

You're watching—actually,

           D7

that sounds weird too

    G

But every night I sleep better

D   **E**

knowing that you're there

     C   **D**   **G**

Even when you're not currently in my view

[Chorus]

        C   **D**

Just like the Grand Teton are

       G   **E**

watching over the Snake River

C   **D**   **G**

You're always there to help me too

[Verse]

    G

You tower over me—no, wait…

that sounds sort of sinister

You're watching—actually,

[Bridge]

I don't always see you

           G

But I know you're there

      Am   **Em**

When the night is dark or we're far apart

       D   **D7**

You're not gone… too long
